

Dearly Beloved in Christ,

Calvary greetings to you all in the name of our exalted Lord and Saviour Jesus Christ.

This comes in appreciation of your partnership in the gospel through the gift of £1,000 towards supporting my studies with the Union School of Theology, Bridgend, Wales. I was deeply encouraged when I received the news from Sara Thomson. Considering that you have never met me, I deeply appreciate this heart for God and the gospel across the world.

I see my study, as very necessary in equipping me for the work that I am doing, which is raising faithful Bible preachers and teachers for the Church in Nigeria and Africa. Thank you so much for coming along side to make this possible.

Yours in Christ.
