

Parish Policy Statement for Safeguarding Children and Vulnerable Adults 2018/ 19

Parish of St Peter & St Paul, Tonbridge in the Church of England Diocese of Rochester.

The following policy was agreed at The Parochial Church Council (PCC) meeting held on 10 September 2018

- We are committed to implementing a safeguarding children policy and procedures, accepting as a minimum the Promoting a Safer Church House of Bishops' Policy Statement 2017. In addition, the Parish will follow the diocesan procedures and recommended good practice, while being responsive to local parish requirement.
- We will review and endorse all safeguarding policies annually, at the first meeting of the new PCC, so that new members are aware of their responsibilities and confirm the existence of their parish policy on child protection.
- The highest standards will be maintained in all the Church's contacts with children, young people and vulnerable adults. Adult volunteers will be given appropriate support and opportunities for training.
- We will respond without delay to every complaint made, that a child, young person or vulnerable adult for whom we are responsible may have been harmed.
- This parish will cooperate fully with the statutory agencies in every situation and will not conduct its own investigations.
- We will seek to offer informed pastoral care to any child, young person or adult who has suffered abuse.
- We will care for and supervise any member of our church community known to have offended against a child.
- The Parochial Church Council of this parish acknowledges its responsibility for all work with children and young people done in the name of the Church and requires all those engaged in such work to be properly appointed and supported in accordance with current good practice and guidelines issued through the Diocese of Rochester.
