3. GOVERNANCE, STRUCTURE AND MANAGEMENT

Constitution and governance

- 3.1 The PCC is a corporate body, and its general functions are set out in the Parochial Church Council (Powers) Measure 1956.
- 3.2 Parish governance is set within the framework of the Church Representation Rules.
- 3.3 The responsibility for the Parish, its churches and its parishioners' rests with the incumbent and the PCC. The PCC co-operates with the incumbent in promoting the whole mission of the Church, pastoral, evangelistic, social and ecumenical. (The incumbent is the "corporation sole", subject only to the general cure of soul of the Bishop throughout the Diocese whom he is answerable to in "all things legal and right".) The Churchwardens are the Bishop's officers who are elected annually, and the assistant clergy are answerable to the incumbent and licensed to minister by the Bishop. The PCC is a body of about 24 elected representatives and ex officio members.
- 3.4 There are four churches within the Parish namely, St Peter & St Paul (Parish Church), St Andrew, St Philip and St Saviour.
- 3.5 The PCC has in place policies and procedures on a wide range of matters including Health and Safety, Disability and Safeguarding. All those working with children and vulnerable adults have undergone the necessary Safeguarding training and disclosure and barring service (DBS) checks.
- 3.6 PCC members have received relevant training in specific areas as necessary, for example, Safeguarding. Ecclesiastical Insurance provides helpful information seminars and advice for PCC members and others as required.

Organisational structure

- 3.7 The PCC meets regularly 5 6 times a year with the Standing Committee in the intervening periods. The Standing Committee comprises the incumbent, Churchwardens, the Associate Vicar the Parish Treasurer and the PCC Secretary. The PCC has also established a Finance Committee and a Mission Action Group with a Kondoa Sub Committee. The Finance Committee consists of a Churchwarden, Stewardship Adviser, Treasurer and co-opted members of congregations. The Mission Action Group meets quarterly and has a representative from each church. It is responsible for the distribution of the Parish tithe. The Property Group, established by the PCC, meets regularly and has input from church representatives. The Kondoa Sub Committee meets as necessary to oversee the link between the Parish and the Diocese of Kondoa in Tanzania.
- 3.8 All the committees operating in the Parish have terms of reference which are reviewed periodically. The incumbent and Churchwardens are ex-officio member of all committees.

- 3.9 The committee structure is as follows:
 - PCC
 - Standing Committee
 - Finance Committee
 - Mission Action Group
 - Property Group
 - Kondoa Sub Committee (of Mission Action Group)

Management

- 3.10 The Churchwardens, together with the Revd Canon Mark Brown (Vicar), are responsible for the day-to-day management of the Parish. They work closely with the Deputy Wardens of the four churches and are supported by the Vicar's PA, the Parish Administrator, St Philip's Administrator and a Finance Administrator. In addition, the Revd Canon Mark Brown, the staff included a full-time training curate (who became the Associate Vicar mid-year), a Youth and Children's Minister and part-time Assistant, 6 Readers, 2 Licensed Lay Ministers, 2 Pastoral Assistants and 2 Pastoral Assistants Emeritus.
- 3.11 On 20 October 2020, the Revd Canon Mark Brown announced his departure from the Parish. The vacancy formally commenced on 21 January 2021.

4. OBJECTIVES AND ACTIVITIES

Mission

- 4.1 The Parish mission and vision statement guides its work: "Tonbridge Parish lives to be a Christian family responding to God's love, serving Him in His Son Jesus Christ and proclaiming His Word of Truth and hope by the power of the Holy Spirit. We believe that God has called us to be welcoming community where we care for each other, bear with each other, and share together in Jesus' name."
- 4.2 This mission statement will be reviewed as and when appropriate.

Main Objectives for 2020

Although objectives were framed for 2020, the COVID-19 pandemic and the restrictions accompanying lockdown meant that the activities of the Parish were significantly affected.

- 4.3 The main objectives for 2020 were:
- (1) To ensure the PCC keeps oversight of the 2020 2021 annual theme of 'The Big Picture', and to ensure that it is understood and responded to positively to the benefit of the regular membership, occasional visitors and the local community.
- (2) To see the development of the Youth and Children's Worker in a role alongside the current Youth and Children's Minister, and that it is consolidated with the increased volunteer base.

- (3) To see that the role of the new Associate Vicar is understood and implemented following the expected transition of the current Parish Curate into this role.
- (4) To enjoy and reflect on the best community use of our newly refurbished and enhanced buildings as a result of the 'Building for the Future' programme.
- (5) To continue to improve and reflect upon our community engagement projects that have shown recent growth, such as Open House and FEAST.
- (6) To improve the record-keeping and welcoming of newcomers using databases and volunteer visitors.
- (7) To ensure full compliance with Safeguarding principles outlined by the national Church and the Diocese.
- (8) To engage in an appropriate way with the report 'Living in Love and Faith' once guidance has been forthcoming from the postponed Lambeth Conference.

Strategies and Activities

- 4.4 The following strategies and activities were undertaken to support the objectives in paragraph 4.3 above:
- (1) Emily Speed (Youth and Children's Worker) to be encouraged to take on more work with groups of young people and to work alongside Andy Page (Youth and Children's Minister) in seeking to promote Sunday Club.
- (2) Use of the new facilities has not been possible due to the pandemic but an official opening of the facilities at St Peter & St Paul will take place as soon as possible and its use promoted as groups and organisations return.
- (3) Open House has been suspended due to the pandemic and will reopen when circumstances permit. Meanwhile, the need to expand team of volunteers for FEAST was identified in view of impact of pandemic on local people.
- (4) A massive job was undertaken at the start of the pandemic in updating our database of church contacts and consolidating the information into a single source which can be updated as required.
- (5) The churchwardens with the PCC will seek to ensure compliance with the church's policy and the maintenance of accurate records of Safeguarding training and DBS checks.

Role of Volunteers

4.5 Volunteers play a vital role in the ministry and the organisation of the Parish. Their contribution may come through specific, and more public roles such as Readers, Licensed Lay Ministers, Pastoral Assistants and musicians or in equally important roles behind the scenes.

5. ACHIEVEMENTS AND PERFORMANCE

Outcomes from activities

The COVID-19 pandemic and the restrictions accompanying lockdown meant that the activities of the Parish were significantly affected.

- 5.1 'A Heart for Hospitality', the Parish initiative continued at the start of 2020 by holding hospitality events in parishioners' homes with a Christian message being delivered by a team selected by Mark Brown. A series of FEAST lunches were held at St Philip's church in school holidays for families with children receiving free school meals. FEAST has continued to meet a real need in the community and volunteers from the Parish have combined with volunteers from other churches to make this an effective means of out-reach.
- 5.2 The Youth and Children's Worker has developed good links with young people through different groups meeting on-line. Sunday Club has also gone on-line with regular contributions from volunteers. There has been little opportunity to increase the volunteer base due to the pandemic.
- 5.3 The system of pastoral care throughout the Parish has generated an enhanced and growing team of pastoral visitors. The team worked very hard by calling of people in the Parish soon after the start of the pandemic with the benefit of data collected on the new database and a record of the contacts made has been useful in identifying those most in need of support.
- 5.4 Work continues to improve the administration of Safeguarding training and DBS (Disclosure & Barring Service) checks. Safer recruitment procedures are being improved and will be implemented going forward for all volunteers.

6. FINANCIAL REVIEW

- The finances of the church were significantly affected by the COVID-19 crisis. The General Fund budget approved by the PCC for 2020 had a small deficit of around £1000, with income forecast at £370,070, and expenditure at £371,250. In the event both these figures were down around 20%.
- 6.2 Income for the year was down £70,000 on budget due to reductions in weddings, the letting of church buildings and rooms and coffee bar takings. The fees from funerals were also well down on budget as the Diocese changed the fee structure resulting in a significantly lower proportion of the fees received being retained by the Parish. This reduced funeral fees by just over £14,000 from the 2019 total.
- 6.3 Expenditure was carefully controlled. Opportunities to furlough staff were taken, heating was minimised in empty churches and building maintenance work was reviewed and postponed where possible. The result was that the reduction in expenditure almost matched the reduction in income.

- 6.4 The Balance Sheet shows a rise in value of approximately £15,000, mainly from a revaluation of the property portfolio showing an increase of £55,000 from the previous year. Balances at the end of 2020 are:
 - 1) General Fund £1,872,339 an increase of £54,242
 - 2) Designated Funds £124,373 an increase of £947
 - 3) Restricted Funds £195,197 a fall of £40,198 which is mainly the expenditure of the funds of 'Building for the Future' donated the previous year.

Reserves Policy

6.5 The PCC aims to hold reserves equivalent to three months' recurring costs, including Diocesan offer and local staff costs.

7. **FUTURE PLANS**

Key Objectives and Activities

- 7.1 It is anticipated that the vacancy will continue for the majority of 2021.
- 7.2 During the vacancy, activities to deliver the mission and objectives of the Parish will continue.
- 7.3 The main objectives for 2021 are (subject to the restrictions imposed by the COVID-19 pandemic):
- (1) Together with the patron of the Parish (CPAS) and the Diocese, to recruit the next incumbent.
- (2) To adapt and develop the worship, pastoral care and outreach as restrictions arising from the COVID-19 pandemic change and taking account of lessons learnt during the pandemic.
- (3) To seek to expand the ministry amongst children and young people and build on the initiatives taken during the COVID-19 pandemic.
- (4) To develop the Parish's digital presence and capability.
- (5) To bring to life the vision of the Parish as articulated in the "Life-Giving Questions" consultation undertaken in 2020.
- (6) To continue to improve the welcoming and follow up of newcomers to our services and other activities and to develop the use of databases to assist in keeping in touch with the church community.
- (7) To ensure full compliance with Safeguarding principles outlined by the national Church and the Diocese.
- (8) To engage in an appropriate way with the report 'Living in Love and Faith'.
- (9) To review administration within the church, particularly of Life Events (baptisms, weddings and funerals), and look at potential church support systems.

3. Accounting Policies

(a) Basis of preparation and assessment of going concern

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Funds

General Funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. These Funds included funds designated for a particular purpose by the PCC.

The purpose of Restricted Funds is set out in note (b) of these financial statements.

The financial statements include transactions, assets and liabilities for which the PCC can be held responsible. They do not included the accounts for church groups that owe affiliation to another body nor to those that are informal gatherings of church members.

Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income can be measured reliably.

Voluntary income and capital sources

Special collections are recognised when made. Income tax recovery on Gift Aid donations is accrued for the financial year. Grants and legacies are accounted for as soon as the PCC is notified of the entitlement and the likely amount that is due. St Peter and St Paul coffee bar transactions are shown as gross. Funds raised by Parish events are accounted for net of cost.

Other ordinary income

Parochial fees to the PCC are now paid to the Diocese following a change of policy in late 2019. The income shown to the Parish is now much reduced portion of the fees.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Church to that expenditure, it is probable that settlement will be required and the amount of obligation can be measured reliably.

All expenditure is accounted for on accruals basis.

Fixed Assets

Consecrated land and building and movable church furnishings

Consecrated and beneficed property is excluded from the accounts by s.337 of the Charities Act 2011.

No value is placed on movable church furnishings held by the Churchwardens in special trust for the PCC which require faculty for disposal since the PCC considers these to be inalienable property. All expenditure incurred during the year on consecrated or beneficed buildings and movable church furnishings is written off.

Office equipment is capitalised and depreciated at a rate of 25% per annum on a straight line basis, to write off the asset over its expected useful life. Computers are capitalised and depreciated at a rate of 25% per annum on a straight line basis to write off the asset over its expected useful life. Audio Visual equipment is capitalised and depreciated at the rate of 25% per annum on a straight line basis to write off the asset over its expected useful life. Office furniture is capitalised and depreciated at the rate of 25% per annum on a straight line basis.
