

## **Happy Easter Greetings to all our supporters!**

The team here at High Hopes want to wish you all a blessed Easter - with a real and deeper awareness of the love and power of God. We pray that your holidays are filled with joy and peace. We also want to thank you for all your support so far this year - We couldn't do any of this without you. Read on to see what we've been up to this term...

---

### ***Fun Club is back!***

*We're so happy to have Fun Club back up and running again over at Cage Green School. We've welcomed back some old faces and had some new recruits join us too...*

*...This term we had a great time learning about the last supper, crucifixion and ascension of Jesus. The children especially enjoyed making crafts of their feet after hearing the story of how Jesus washed his friends feet.*

### ***Assemblies!***

*We started the term with the theme of Justice & wisdom, and it was a pleasure to go into schools and deliver this strong message.*

*We ended the term with the theme of Forgiveness which ties in perfectly with the upcoming Easter holidays. The children really enjoyed playing 'catch the Easter egg' even though it did get a little messy.*

### ***Next Term!***

*We have lots of exciting things coming up next term including our Year 6 transition workshop - High Hope Airways. We hope to make the Year 6 students feel at ease about their journey to secondary school with our cabin crew themed workshop.*

*We will also be exploring the theme of 'generosity' in our assemblies next term. Specifically the story of 'The Rich Man and the Widows Mite'. It will be lovely to see the students again after the long break!*
